

Owner, Kim Hardee started a small catering business 15 years ago, hometown of Myrtle Beach. She had often thought of expanding her catering business by opening a small cafe. Then, when an opportunity to lease a restaurant space in Conway became available, Dilly Beans Cafe opened its doors for business. Kim is thrilled to offer her customers an affordable gourmet lunch made with fresh, local, homegrown ingredients.

Kim was recently voted **Top 10 Caterers on the Grand Strand**. While they specialize in Wedding Receptions, they also cater many other local events including family reunions, birthday parties, corporate functions and the like. Please ask about their extensive catering menu. She and her staff would love to cater your next gathering. The cafe is also available after hours for small gatherings. Large or small, they can handle all your catering needs.
